The cafe was started, and is run, by the church.

Richmond Church is a community where we share our lives, our laughter, our sadness and our worship. The people of the church hope the building is a place where anyone can come and find friendship and understanding. The Church gathers to worship on Sundays at 11am; you would be made more than welcome if you came along!

Thursdays is our Nearly New Sale and Fair Share day. There's free food, second hand clothes and you can exchange your loyalty cards for toiletries and cleaning materials from 9:30am -11:30am. If you are interested in volunteering here please speak to the minister – Liz
